BREAST CARE PATHWAY

Elegant Profile: Professional, Dedicated, Compassionate

– After a surgery is scheduled or surgery date is yet to be determined:

- Please call and schedule a private consultation or fitting appointment, *preferably before surgery* – with one of our Certified Fitters [CFm's] to be fitted for a **post-op camisole** or **bra with drain management**
- If planning to have reconstructive surgery the patient may wish to be fitted with a soft compression bra

– 5-8 weeks after surgery, [no drainage or open areas on chest wall], patient is ready to be fitted in beautiful mastectomy bras and prosthesis

We want you to feel great underneath it all!

Elegant Profile also offers an array of products for those not choosing reconstructive surgery including:

- Prosthesis or partial prosthesis
- Mastectomy bras
- Non-surgical custom prosthesis

We also carry:

- Beautiful Swim Wear
- Swim Forms
- Compression Wear
- Camisoles
- My Girls – Radiation Cream
- Lindi Skin – Specialty skin care for cancer treatment side effects
- It Stays- Pliable body adhesive
- Under Cover Comfy Strap – To stop bra slippage

- Most insurance companies will cover a portion or all of your products, policy will need to be verified
- Elegant Profile's products may also be purchased on a cash basis
- As a friendly reminder, due to patients undergoing chemo and other medical challenges we request no fragrances be worn [*fabric softeners, perfumes, lotions, hair spray etc.*] *We thank you for your consideration*
